

**Health Equity &  
Action for Latinos**  
Imperial Valley Grants Program

# Frequently Asked Questions

## What is HEAL?

Health Equity & Action for Latinos is a grant program for community organizations offered by Comite Civico del Valle in partnership with The California Wellness Foundation which aims to address community needs around COVID-19, economic hardship, health, social justice, housing for underserved populations impacted. Organizations are eligible for grants between \$5,000 and \$15,000

## How do I apply?

To apply for this grant, community organizations should complete an application responding to questions, budget, and a workplan by one of the three methods: emailing a copy to [heal@ccvhealth.org](mailto:heal@ccvhealth.org), mailing a copy to 235 Main St. Brawley, CA 92227, or by submitting online using the form [www.ccvhealth.org/heal/](http://www.ccvhealth.org/heal/) no later than **Friday, December 4, 2020 at 11:59 pm**. Mailed applications can be sent using US Postal Service or courier services and must be postmarked by the due date.

## Who is eligible?

- Established 501(c)3 organizations or that have identified a fiscal sponsor
- Demonstrated need for the program or project
- Demonstrated capacity of the organization to deliver quality programming and meet goals
- Potential for positive social benefit across broad and diverse populations
- Demonstrated commitment to a positive relationship/track record with the community
- Organizations addressing community needs around COVID-19, health, social justice, food access, housing, chronic disease, along with other community needs
- Organizations serving vulnerable and underserved populations in the Imperial border region (i.e., Latino immigrant families, low-income families, and agricultural workers)

## Is there any application assistance available?

Yes! Join us for a workshop in English: **Thursday, November 19 from 5:30 - 6:30pm** or in Spanish: **Friday, November 13 from 10 - 11 am**
